Workshops & Programmes
for Libraries, Schools &
Corporates

EMMA-JANE LEESON is one of Ireland's leading children's book author living in Kildare beside the beautiful 'Special Area of Conservation' Ballynafagh Lake.

Emma-Jane

Emma-Jane was the 2022 Kildare Libraries 'Reader in Residence' promoting children's literature for children 5-12yrs.

Emma-Jane wrote her first 'story about Johnny Magory' 19 years ago for her daughter. These stories are all based on the old rhyme "Will I tell you a story about Johnny Magory? Will I begin it, that's all that's in it!" which her father used to tell her every night.

Each of the stories educates children on Irish heritage and wildlife in a fun way. She is currently writing the TV animation series of Johnny Magory.

Emma-Jane had a career in HR with some of Ireland's biggest corporates. Delivering training and coaching online is a key talent that has enabled her to bring her workshops successfully online.

Emma-Jane is also an embodied Hatha Yoga and Meditation Teacher.
